A **sensory friendly screening** for people with autism and people with learning disabilities
See over for details.

Autism Friendly Films

Visit one of 37 selected ODEON cinemas on Thursday 11th August and support the country's first nationwide 'Autism Friendly Films' initiative.

Watch *Mr Popper's Penguins* (PG) in an autism and learning disability friendly environment; lights and sound on low, freedom to move around the cinema, bring your own food and drink.

Jim Carrey is Mr. Popper, in a family comedy about a driven businessman who is clueless when it comes to the important things in life – until he inherits six penguins. While Popper's penguins turn his swanky New York apartment into a snowy winter wonderland – and the rest of his life upside-down - they teach him valuable lessons about families... human or otherwise.

To find the participating cinemas closest to you please visit www.dimensions-uk.org/autismfilms. Most of the cinemas have full disabled access, but if you are a wheelchair user please check with the cinema first.

Cinema tickets can be purchased as normal from the cinema in your area or online via the ODEON website www.odeon.co.uk. Support workers/carers can attend for free with a CEA card. To find out more about the CEA card and how to get one please visit www.ceacard.co.uk.

Dimensions is a leading provider of specialist support for people with learning disabilities and those who experience autism. To find out more, please visit www.dimensions-uk.org.
