

Derbyshire Inclusive Football Clubs

Derby County
In the community

All of the clubs provide young players with disabilities the opportunity to participate in the nation's favourite game and improve their skills, confidence and motivation to move forward within the game. The inclusive clubs also provide the opportunity to develop social skills within a fun safe environment under the supervision of qualified and knowledgeable coaching staff.

All sessions are delivered by Charter Standard Club coaches who hold the relevant FA coaching, Emergency Aid and Child Protection qualifications and have been mentored by Derby County in the Community coaches as part of the Inclusive Club programme.
