# Working together in partnership is better than working alone

## Do you need our help?

- Does your child or young person have special educational needs?
- Has your child or young person been excluded or is at risk of exclusion?
- Do you need someone to talk to about your concerns?
- Do you need information about the education system?
- Do you need help to approach your child's school, or attend a meeting?
- Are you finding it difficult to put your view across?
- Are you confused by paperwork?
- Would you like to meet others in a similar situation?
- Do you want information about other sources of help and advice?

**We can help in all of these situations and many others**

## How can Parent Partnership help?

We ask parents and carers to approach us directly by contacting either Office number.

We have support workers in your area who can discuss your queries over the phone or meet with you in person if possible.

## What are our aims?

- To encourage co-operative working to ensure that children's individual needs are met.
- To help parents, carers and children have their views heard and valued.
- To provide information and support so that parents and carers can make informed choices for their child.

*"In Derbyshire we are convinced that we will only be able to achieve the highest possible standards for children and young people if we have an open and active partnership with parents and carers, schools, settings and all the services that are involved in supporting children, young people and their families. Parent Partnership plays a vital role in this."*

Frances James  
Assistant Director (Social Inclusion,  
Children and Family Support)
